

MITEL SOFTWARE ASSURANCE AND SUPPORT

Every day, Mitel Unified Communications and Collaboration (UCC) and Contact Center solutions help businesses run more efficiently.

By keeping these solutions current, your business can take advantage of the latest capabilities designed to enhance communications and business processes to better serve your clients. Mitel Software Assurance and Support services play an important role in helping your Mitel solutions remain current.

PROTECT & ENHANCE THE LONG TERM VALUE OF YOUR MITEL SOLUTION!

When you have critical or major issues that can't be solved, Mitel Software Assurance and Support helps your business through Mitel technical support experts joining forces with your Mitel authorized Partner to drive issues to resolution.

If your Mitel MiVoice communications, MiCollab unified communications & collaboration and/or MiContact Center solutions are no longer under an active Software Assurance & Support agreement then now is the perfect time to once again re-enlist and save money, as you do it, with this special offer!

For a LIMITED TIME the standard Re-enlistment Fee charged for a system whose Software Assurance has expired or was never subscribed, will be waived when re-enlisting under an active Software Assurance coverage.
